

# Little Learners Kids Day Out

**Little Learners Kids Day Out** aims to help families meet their children's intellectual, social, and emotional needs to lay a foundation for future development. We value teacher-directed and child-initiated learning, with an emphasis on responding to children's learning styles and building upon their strengths and interests. Your child is embarking on a new journey, one that will set the foundation for future learning.

Little Learners offers a fun and safe learning environment. Little Learners is operated by a certified preschool teacher. Enter our doors to a welcoming environment to all families!

A program to help develop social relations with their peers, while engaging in free guided play. Our environment encourages cooperation and positive self esteem to help them play, learn and grow.
